Your quick guide to being a rep

Who's who?

School Officer

Joy Dellah-Gu

joy.dellah-gu@bucks.ac.uk

Head of School

Sarah Williams

sarah.williams@bnu.ac.uk

Deputy Head of School

Sainey Faye

sainey.faye@bnu.ac.uk

Director of Education

Janet Cash

janet.cash@bnu.ac.uk

Staff Celebration

We want to hear who is going above and beyond and deserves recognition for their work in supporting students. You can nominate Staff members for a Staff Celebration award at bucksstudentsunion.org/yourvoice/staffcelebration.

One of last years Business and Law nominations said the following:

"Obi is an amazing lecturer. He teaches us with lots of passion and supports us with our learning needs- the quality of his teaching is incomparable, as it is over and beyond. He makes sure we understand the lectures by asking us if we understood them or not and if not then he would explain it again in its simplest way, as this is a talent because the core module of Equity and Trust is not an easy module, but the way he teaches us is so enjoyable and easy to understand it. Thank you, Obi, for being such a great lecturer."

Please feel free to contact surepresentation@bnu.ac.uk about any concerns you may have about your course

National Student Survey 2022–2023 Feedback

What is the National Student Survey?

The National Student Survey is an anonymous opportunity for final year students to look back on their higher educational experience and feedback on different areas including the positives and areas of improvement surrounding their course for the University to use to improve students experiences in the future.

2022–2023 Results

BNU Celebrated an average of **84.6%** satisfaction across NSS categories.

Overall, Business and Law School Satisfaction:

- With the University: **91.7%**
- With the Students' Union: **93.5%**

Common feedback occurrences to keep an eye on this year:

- Feedback can take longer than the 3-week ideal turnaround
- Not enough internal avenues to apply academic learning

How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **surepresentation@bnu.ac.uk**.

The School celebrated:

Providing students with invaluable expertise in dealing with a variety of business-related challenges and how to resolve them.

Please feel free to contact **surepresentation@bnu.ac.uk** about any concerns you may have about your course
