## Staff Celebration

We want to hear who is going above and beyond and deserves recognition for their work in supporting students. You can nominate Staff members for a Staff Celebration award at [bucksstudentsunion.org/yourvoice/staffcelebration](https://bucksstudentsunion.org/yourvoice/staffcelebration).

### One of last year's Nursing and Midwifery nominations said the following:

*"Since I started in September 2020, Geeta has been a welcoming presence over the past three years; therefore, she deserves this staff celebration nomination. She interacts with every student and always does her best to encourage and support them. She also genuinely values the students' views, and by chairing the Programme Committee Meetings, she engages with the issues raised and takes appropriate action and any queries from students are welcomed, and she will do her best to respond or signpost them to the appropriate person."*

BNU Celebrated an average of **84.6%** satisfaction across NSS categories.

Overall, Nursing and Midwifery School Satisfaction:

- With the University: **82.8%**

## How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **[surepresentation@bnu.ac.uk](mailto:surepresentation@bnu.ac.uk)**.
