### One of last year's Aviation and Security nominations said the following:

*"Naveed is an excellent module leader. I found his classes really engaging with his varied teaching styles and experience that were both fun and interesting. His approach in class was professional but equally fun. Naveed put on workshops for the coursework, which would allow students to think carefully about the content, always on hand for help too. His contribution has been first class, and a credit to the course."*

## How does the NSS relate to you as a Student Representative?

We use the eight NSS categories as part of the 'Your Voice' feedback collection for Programme Committee Meetings, to make sure that key areas of your student experience are being fed back on appropriately.

Additionally, we want to know what we can do to improve our service as a Students' Union to support you. Feel free to email any suggestions to **[surepresentation@bnu.ac.uk](mailto:surepresentation@bnu.ac.uk)**.
